**RE: Important Update: TEDOM USA Relocation and Integration with Yanmar Energy Systems**

Dear Valued Partner,

We are writing to share some exciting developments regarding the future of TEDOM in North America. To better serve our dealer network and streamline our operations, **TEDOM USA is officially moving its headquarters to a new facility in Branford, Connecticut.**

### **Our New Strategic Hub**

Effective immediately, our new primary place of business is:

**TEDOM USA Inc.**  
**15 NE Industrial Road**  
**Branford, CT 06405**

This move is more than just a change of scenery. This location now serves as the central hub for **Yanmar Energy Systems North America (YESNA)**. As a division of Yanmar, TEDOM is now fully integrated into a broader ecosystem of energy solutions.

### **What This Integration Means for You**

Our goal is to provide you with a more robust support structure and a wider range of high-efficiency products. By aligning with Yanmar and our partners at the **Controlled Air** division, we are delivering:

- **Expanded Product Portfolio:** Access to new Yanmar energy products alongside our industry-leading CHP units.
- **Enhanced Engineering Support:** Deep technical expertise and design assistance through our Controlled Air division.
- **Operational Synergy:** A unified team working together to ensure faster response times and comprehensive project support.

### **Your Direct Contacts**

While our address and organizational structure have evolved, your primary points of contact for sales and technical support remain the same. Please continue to reach out to Lukas and Clinton for your project needs:

#### **Lukas Krizek**

*Technical Sales Director*

M: +1 (484) 707-2187 | M: +420 722 065 023

#### **Clinton A. Kelly**
